Warranty items

Limited One Year Warranty

This warranty covers any defects or malfunction in your new AMO flashlight DVR for one year from date of purchase.

AMO will replace or repair any defective or malfunctioning device, within the warranty period, at no charge. The warranty does not cover damage resulting from accident, alteration, misuse or abuse. The device must be sent to our service center at your expense.

Should you require service please contact us first before returning the unit to us. Return instructions can be found on our website at www.amo-tech.cn under the Support option.

Upon receiving the returned device, it will be inspected and replaced or repaired if found defective. The unit will be shipped back to you within five business days at our expense.
